

Little Flower's Puppy Contract

A 500.00 deposit is required to be on our waiting list for a future puppy. Deposits are non-refundable

Deposit of _____ paid by (print name) _____

Date: _____ Male puppy _____ Female puppy _____ No preference _____

Color preference _____ Size preference _____

Preferred parents (Mom) _____ (Dad) _____

Full price: _____ Less Deposit: _____ Balance Due: _____

I agree to take good care of this puppy and not allow him/her to become overweight.

Puppy must not be over-exercised or run excessively but he/she must have adequate room to play. A nice fenced yard is preferred with fresh water at all times.

Breeding Conditions and Restrictions: This puppy is being sold with the understanding that he/she is to be a pet and will NOT participate in any kind of breeding.

Supplements: Your puppy must use "**NuVet Plus® for 4 years using NuVet Labs' recommended dosage.**" for our four year guarantee we offer. For your convenience, you may order directly from the manufacturer by calling 800-474-7044 and using Order Code: 22773, or ordering online at www.nuvet.com/22773. You can also save an additional 15% and assure you never run out of NuVet by choosing the "Auto Ship" option at check out.

Pet quality (limited reg.)

4 year Guarantee against genetic moderate or severe hip dysplasia, and "affected" genetic diseases. **This does not include: Worms, Coccidia, Giardia, Parvo, Fleas, or Ear mites. These are not life threatening if treated.** Because 60% of all canine hip dysplasia is related to poor nutrition, we require that your precious puppy continue with **Purina Pro Plan** for the first 4 years of his/her life in order to qualify for this 4-year health guarantee. Remember, an ounce of prevention is worth a pound of cure! If you continue with **Purina Pro Plan** for the first 4 years, this dog is guaranteed against genetic moderate or severe hip dysplasia, and genetic diseases until it is 4 years of age. The OFA is the sole and only judge in determining hip dysplasia. A certified veterinarian must confirm any "affected" genetic defects. Purchaser is to spay by 8 months, or neuter by 11 months the Springer Spaniel puppy and keep him/her as a companion. Proof of spay/neuter will be sent to Little Flower Springers. Buyer assumes all veterinary and shipping expenses. A replacement puppy of the same quality will be given as soon as we have one available; since we generally only breed once a year, waiting time can be from one to two years.
